

Think Hygiene 

**Machine
Series**

CRB cleaning machine

(Contra-Rotating Brush)

**ONE MACHINE TO CLEAN
ALL TYPES OF FLOORS**

- The smart solution for professional floor care.
- Maximum floor hygiene with two contra-rotating cylindrical brushes.
- 4 working widths from 20 to 60 cm – depending on the situation and surface area.
- One machine for all hard and carpet floors indoor and outdoor
- Deep cleaning including escalators, tiles, joints, wood, vinyl and paving stones
- Brush exchange without any tools due to quick-release axles Scrub, wash and dry in one step surfaces can be walked on shortly afterwards
- Up to 90% less water and chemicals required compared to other methods
- Austrian quality with reliable spare parts supply
- Sustainably manufactured and recyclable

**The clever solution for sustainable
efficiency in floorcare**

Brush range and applications

Rotowash brushes are specifically designed to enhance and extend the cleaning method of the Rotowash range of professional floor cleaning machines. Rotowash brushes work effectively with most modern cleaning chemicals.
